

Amma vieraillee enimmäistä kertaa Tanskassa 23-24.10.2018. Vapaaehtoisia kaivataan kyseisen ohjelman onnistumiseksi myös muualta kuin vain Tanskasta. Vapaaehtoisten majoituksesta ja muustakin lisää heidän lähettämässään viestissä alla.

Amma visits Copenhagen

Danish Amma-devotees have been inviting Amma to visit Denmark for many years. Now it is happening - Amma will visit Denmark for the first time on October 23rd-24th 2018. Because this is our first program, we need extra volunteers helping during the program. So if you want to support Amma's visit to a new country, your help will really be appreciated. We have a sevaform where you can sign up and also write in the comments, if you have any prior experience in certain areas at other Amma-programs.

You can read - in English as well - about the program and accommodation possibilities on our homepage amma-danmark.dk.

If you will do six hours of volunteer work or more, we will accommodate you in a room with five other people a short drive from the hall. We will arrange shuttle transportation between Brøndby Hallen and Danhostel Ishøj. In addition, breakfast, lunch and dinner in the hall will be included. You can see the prices here:

22 - 25 October - price 127 €

23 - 25 October - price 100 €

If you want this option, please send an email to accommodation@amma-danmark.dk with information on your name, gender and what option you want. The amount must be paid at latest five days after your registration. You will receive an email with payment information.
